SEASIDE AND MOUNTAINS

A route that travels from the highest point in continental Portugal to the westernmost coast of Europe. In the mountains, the adventure starts with snow, spas, architecture and first class food. As you chase the sunset, stop off in a walled town near the ocean where the first explorers boarded their ships.

Historical Routes, because it's worth travelling through time.

TIPS:

- 📍 Visit Óbidos
- 📍 Visit Belmonte
- 📍 Walk around the Serra da Estrela mountains
- 📍 Try Queijo da Serra (mountain cheese)
- 📍 Visit the Museu do Pão (Bread Museum)
