If you appreciate classic, elegant, and timeless environments, then Pestana Miramar is the right choice for your holidays in Madeira. This hotel, which combines charm with the most modern amenities, offers the ideal setting to enjoy a few days of rest.

With privileged views over the port, the city, and the bay of Funchal, this old manor house facing the sea promises to provide you with unforgettable moments. Leaving the main house to enjoy the pool and gardens, you quickly realize the exceptional character of the stay.

Included in Pestana Miramar is also Quinta Perestrello, an old Madeiran manor house. Just a few steps from the main building of Pestana Miramar and with access to all the hotel's services, the typical 19th-century Madeiran house retains many of its original architectural elements and, therefore, all its charm. It has 37 spacious 4-star rooms, as well as a private outdoor pool surrounded by gardens, a library, a billiard room, and a large terrace with bar service, areas that are exclusively accessible to guests of this charming house.

IN

If you dream of a vacation in Madeira, in perfect harmony with lush nature and, at the same time, with easy access to the urban dynamics of Funchal, **the Pestana Village** is the ideal hotel for you. Here, you can spend days wrapped in tranquility and beauty, in a stay you will surely not forget.

However, what truly distinguishes **the Pestana Village** are its amazing gardens, such as the Winter Garden.

This space, adorned with an elegant fountain, is located near the bar and reading area and is filled with spacious and comfortable chairs, providing the perfect refuge for relaxing moments before or after dinner.

Here, you can enjoy music, pleasant conversations, or simply observe the surrounding movement, in an environment decorated with replicas of houses and balconies typical of Madeira, evoking the feeling of being in the center of a village square. Additionally, it is in this space that a bazaar with regional products is located, where you can purchase traditional souvenirs for your family.

Whether you opt for the sophisticated suites of the Casa da Quinta or prefer the other rooms, all of them fully equipped with a kitchenette and a balcony with an unobstructed view of the gardens, your stay at the Pestana Miramar promises to be unforgettable.

The rooms at Quinta Perestrello are equipped with an LCD television, sofa, kettle, and free WiFi. In addition to access to all hotel services, guests have exclusive access to a private outdoor pool surrounded by gardens, a library, a billiard room, and a large terrace with bar service.

THE BEAUTY OF THE PEARL OF THE ATLANTIC

One of the unmissable experiences on the Madeira Island are the **Levedas** – interior trails that cross the entire territory. Some are more challenging for adventurers, while others are more accessible to anyone. These paths offer the best way to explore the **Laurisilva Forest**, recognized as a **UNESCO World Heritage Site**, providing a perfect union with nature.

Thanks to the mild climate, it is possible to practice nautical, land, or aerial activities at any time of the year. In addition, you can opt for excursions around the island: to the northeast, discover **Santana** and its picturesque little houses, to the northwest, you can dive into the **Natural Pools of Porto Moniz**. If you prefer pebble beaches, west of **Funchal**, you can enjoy the enchanting beach of **Fajã dos Padres**, whose crystal-clear waters invite diving.

In Madeira, there is a spirit of celebration and festivity throughout the year. Among the most popular festivities are the fireworks display on **New Year's Eve**, **Carnival**, the **Flower Festival** in the spring, and the **Atlantic Festival** in the summer.
