In the comfort of the lounge, you will enjoy a unique view onto the Ria de Aveiro.

IN

Located on the channel connecting Murtosa to the São Jacinto beaches, the Pousada da Torreira-Murtosa, on the Ria de Aveiro, is embedded in a protected natural setting of incomparable beauty on the “Bico do Muranzel”.

In the afternoon's quietness, from its terraces, guests will have supreme views onto the “Ria”, almost feeling the waters flowing under your feet, while watching the traditional work of the fishermen on their famous “Moliceiros” boats. And as no landscape is complete without a high-level meal, at the Búzios Restaurant you will enjoy traditional Portuguese menus, with plenty of dishes prepared with the quality pattern that is typical in our hotels.

Relax while you dive and forget for a moment where the swimming pool ends and where the Ria begins.

TO EAT

It is impossible to talk about the gastronomy of Aveiro without starting with the confectionary. Those who have never tried the typical "soft eggs" of the region should definitely end the visit to Aveiro without trying them.

And since we are here in the "El Dorado" of fishing, how about tasting one of the unique flavours that originally came from the Ria? From the "Caldeirada" (Fish Stew) to the Fried Eels, we assure that no lover of good fish will be unsatisfied.
